

CUSTOM MEASUREMENT GUIDE

PANTS & PLUDERS

Waist Circumference (J)

Measure around the area where the waistband of your trousers or jeans naturally sits
(as shown in the image)

Hip Circumference (K)

Measure around the fullest part of the hips
(as shown in the image)

Total Length (L)

Measure from the waistband of your trousers or jeans down to 20 cm below the knee
(as shown in the image)

Our fencing pants are generally designed to end 20 cm below the knee, but you may adjust the length according to your preference.

Thigh Circumference (M)

Measure around the widest part of the thigh
(as shown in the image)

Please Provide the Following Measurements

Height (cm) : _____

Weight (kg) : _____

Body Type : ☐ Masculine ☐ Feminine

Waist Circumference (J) : _____

Hip Circumference (K) : _____

Total Length (L) : _____

Thigh Circumference (M) : _____

Instructions for Taking Your Measurements

To ensure the best possible fit for your custom-made HEMA pants, please follow these instructions carefully:

1. Use the Reference Images

Each measurement point is illustrated with images showing where and how to measure. Follow them precisely for accurate results.

Measure Exactly – No Additions, no subtractions !

2. Do not add any extra centimetres to your measurements.

Measure your body as it is, standing upright and breathing normally. We will add allowances for comfort, mobility, and padding during production.

3. What to Wear During Measurement

Wear a regular t-shirt and trousers or jeans while measuring. If you wear any protective gear under your HEMA pants, wear it during the measurement process to ensure a proper fit.

4. Measurement Units

All measurements must be taken in centimetres (cm). Use an imperial (inches and pounds) tape or scale only if absolutely necessary (you will lose some precision):

1 inch = 2,54 cm / 1 lb = 0,45 kg

5. Get Help if Needed

For the most accurate results, ask someone to assist you during the measuring process.

IMPORTANT : Please measure carefully. Custom-made garments are non-refundable once produced.
